Shepherd Pathways

New Patient Referral Information

RESIDENTIAL Program Patients

We look forward to working with you at Shepherd Pathways. Below is information to know prior to starting Shepherd Pathways.

What do I do next?

Once you have been approved to start treatment, you will receive your schedule from the admissions department. Please note, we do have a waiting list and we will try to provide you an accurate time frame for your admission. On your first day, please arrive 30 minutes prior to your first session in order to register and sign the required paperwork. If you or your loved one has a guardian, then they must accompany you on the first day of treatment to sign paperwork. Guardianship papers must also be brought to verify the patient's legal guardian.

What to bring with you

- Your insurance card
- Medications in the original labeled pill bottles
- Bowel and bladder supplies
- Comfortable clothing, including tennis shoes and a bathing suit
- Any equipment needed to complete your therapy (i.e. splints, walking devices, cognitive prosthetics, a wheelchair, any adaptive equipment you may use)
- Personal hygiene items
- Calling card for long distance or a cell phone
- You may bring personal items for your room (i.e. pictures, books); please mark personal items with your name.

Change in medical status

Please contact the admissions department at 404-350-7602 if you have any changes in your medical status that would impact your therapy. This could include seizures, cardiac issues, blood pressure issues, weight bearing restrictions, or uncontrollable pain. *Failure to do so will result in early discharge,*

as we will not be able to provide therapy services if you are not medically stable.

What to do on your first day

The receptionist will assist you in the registration process and direct you to your first treatment session. Shepherd Pathways is located in Decatur, Georgia, at 1942 Clairmont Road. The main phone number is 404-248-1667.

A typical day

On your first day, you are encouraged to bring a family member or caregiver with you who is most familiar with your needs. You will meet with most of your team members to discuss your personal information and your goals. Each week, you will receive a new therapy schedule.

RULES AND REGULATIONS

Smoking policy

Shepherd Pathways is a smoke-free hospital. Smoking areas are designated in the outside courtyard area.

Alcoholic beverages/ Drug policy

Alcoholic beverages are NOT permitted on Shepherd Center property or on hospital-supervised outings. Use of illegal drugs or alcohol is prohibited. If there is any reason to believe you are using illegal drugs or alcohol, you will be asked to give a blood or urine specimen. A positive drug screen will likely result in discharge from the program.

Security

Shepherd Pathways is not responsible for valuables and other personal items left unattended. We ask that you leave unnecessary items at home or on your person for safe-keeping.
